

Dear Sir/Mdm,

It is my great pleasure to recommend Lee Zhi Wei for admission into the Early-Admission-Exercise into your course in Polytechnic. I have known Zhi Wei for 2 years and it has been a great privilege to be his Chemistry teacher.

I have personally witnessed how he has grown into a confident individual who always persevere to complete any tasks assigned. As the IT leader in the class, he has been a tremendous help in setting up the AV equipment in the classroom and applies his technological knowledge and skills to diagnose various faults and errors that may occur during the progression of the lesson. His quick-thinking and calmness under highly stressful environment to troubleshoot IT issues allows my lessons to progress smoothly and without hiccups.

Zhi Wei has great personal qualities. His diligence and kindness are beyond his years and is well-loved by his peers, as well as those who have had the pleasure of teaching him. He never fails to lend a helping hand to those in need and encourages others with a smile even when the odds are against them. When faced with the learning of a challenging concept, he always strive his best to analyse and understand them rather than learning by rote.

I highly recommend that you accept Zhi Wei into the Early-Admission-Exercise. I am very confident that he would make a great addition to your course. Thank you.

Yours Sincerely,

Mr Fu Chee Sheng

To Whom It May Concern:

I have known Lee Zhi Wei for the past two years, having served as his Social Studies and CCA Teacher at Bartley Secondary School. I believe that Zhi Wei would be an excellent addition to your institution.

Zhi Wei is very passionate about Information Technology (IT), volunteering to serve as the IT Champion of the class. He takes pride in his role, getting ready the equipment before lessons start so that the teachers can run the lessons smoothly. Zhi Wei willingly helps out the teachers when they met with technical difficulties, and helps to solve them effortlessly with his expertise. Zhi Wei also does not shy away from setbacks, but continues to persevere on and seek to improve on his results.

Zhi Wei has played a significant role in the school's co-curricular activity by engaging himself actively in NCC (Air). In recognition for his dedication and sense of responsibility to the unit, Zhi Wei is awarded the rank of Staff Sergeant and is selected to be the Assistant Company Sergeant Major of the Junior Cadets (Secondary 1 students). Zhi Wei is tasked to impart his skills to his juniors in the unit and to assimilate them into the CCA. Despite his initial shyness to stand in front of a crowd to give commands, he overcame this challenge and went on to lead his juniors in performing tasks such as execution of drills. His juniors are able to relate to him well and sees him as a role model. Zhi Wei is not only an effective leader, he is also a good team player. He is able to work well with his flight mates to plan and run the weekly NCC (Air) trainings. Also, he is crucial in the smooth running of the Junior Cadets' camp, when he served as a facilitator to guide the Cadet Leaders (Sec 3) in the leading and running of the camp in preparation for the Cadet Leaders to take over the unit. Zhi Wei is a dedicated member of NCC (Air). He has attended all the trainings without fail. Being an enthusiastic member of the CCA, Zhi Wei has participated in various activities to enrich his experience in NCC (Air), a true testament to his commitment to his CCA.

I am convinced that Zhi Wei would make a more than valuable contribution to your institution, both in academic and co-curricular programmes. Should you have any queries regarding Zhi Wei, please do not hesitate to contact me at loh_see_ming@moe.edu.sg.
